Inauguration of Mumbai Chapter Of SPSI

on
2nd March 2020, 9:30 hrs

**Venue :- Nalanda Auditorium, 4th floor, SIMSR, Somaiya
Vidyavihar, Mumbai - 400077**

The Society for Polymer Science, India has had an interesting history of over three decades. The Society was established as Professional Society in March 1979 under the guidance and leadership of Prof. H. Kothandaraman and had its office at Madras in Department of Polymer Science, Anna University, Madras. Dr. R. A. Mashelkar, Ex-Director General, CSIR was elected as the President of this society in 1991 during the Symposium “Polymers' 91”. In order to establish a vibrant national-level professional society to help to shape national policies in the area of polymeric materials, a decision was taken in February 1995 to unite all existing polymer-related societies in India under one banner namely “The Society for Polymer Science” India. Society functions through twelve regional Chapters, namely Bangalore, Calicut, Chennai, Delhi, Guwahati, Kharagpur, Kolkatta, Mumbai, Pune and Thiruvananthapuram. Each chapter functions independently in organising professional activities for the benefit of chapter member.
